

1U Velcro Horizontal Server Rack Cable Management Panel - 4 Loop Cable Organizer

StarTech ID: *CMVELC1U*

The CMVELC1U Velcro Cable Management Panel mounts to a standard 19" 2 or 4-post rack to organize cables while keeping dust and dirt out of the rack.

Constructed of high quality steel with 4 Velcro loops, the 1U cable manager enables you to bundle and route cables as needed for simple cable organization. The panel also promotes proper airflow through the rack by closing off open spaces between equipment.

For easy installation, this horizontal cable organizer comes complete with 2 sets of rack screws (10/32 and 12/24).

Backed by a StarTech.com lifetime warranty.

Applications

- Ideaal voor gestructureerde bekabeling en netwerk distributie

Features

- 4 Velcro cable management loops
- Takes up only 1U of rack space
- Robuust uitgevoerd in staal
