

NSLS050

NEWSTAR NOTEBOOK STAND

The NSLS050 is a desk stand for a notebook.

The NewStar NSLS050 notebook desk stand is a great choice if you want maximum viewing comfort for your laptop.

This high quality product is made of brushed aluminum and is compatible with Macbook-series and most 10-17" laptops.

Easily elevate the laptop for a comfortable typing angle. By using an ergonomic stand like the NewStar NSLS050 neck- and back complaints can be avoided. The hollow design avoids over-heating problems for maximum notebook speed.

With the 360 degrees rotatable base you can turn the laptop in the required direction in just seconds.

The non-slip silicone feet and laptop rest increases the stability and prevents scratching. On the back of the product there's a cable hole to neatly organize your cables.
