# HP Elite Slice for Meeting Rooms G2 for Intel Unite

Simplify conference calls with stress-free setup, Intel® Unite™, and crisp audio on this versatile system that connects people with the touch of a button[2].

HP recommends Windows 10 Pro.

- Windows 10 IoT Enterprise[1]

### One-touch collaboration
Ditch the frustrations, wasted time, and cable clutter of traditional conference room setups. HP Elite Slice for Meeting Rooms makes collaboration fast and easy with one-touch control and wireless sharing with the Intel Unite® solution.

### Crisp clear audio and video
Isolate voices with advanced noise cancellation for clear communication and cast your team in the best light with optional cameras[3] that automatically adjust to ambient lighting.

### Highly secure business performance
HP Elite Slice for Meeting Rooms, a stylish centerpiece for conference rooms, offers Windows 10 IoT[1], Intel® Core™ processors[4] with vPro™ [5], and HP Elite-class security and manageability. Complete the solution with an immersive HP display[3].

### Featuring
- Intel® Unite™ on HP Elite Slice for Meeting Rooms lets attendees share content wirelessly and efficiently make edits in real-time.
- The bright tri-colored light ring lets everyone in the room know the status of the call.
- HP Noise Cancellation improves collaboration by applying industry-leading noise-filtering technology to all inbound and outbound audio, for effective online calls and meetings.
- Make sure that people calling into your conference can be heard and hear you. Clearly communicate on your call with 90dB of space-filling audio and far-field mic pick up allowing everyone on the call to participate the conversation.
- One-touch capacitive controls launch conference calls instantly, saving you time and boosting productivity.
- The port cover on the HP Elite Slice for Meeting Rooms and the optional HP Keyed Cable Lock 10mm helps secure your system in the conference room.[3]
- HP Sure Start with Dynamic Protection checks your BIOS every 15 minutes to help ensure uninterrupted productivity by automatically detecting and recovering from BIOS corruption.
- Eliminate the cable between your HP Elite Slice Skype Room System and your display with the HP Wireless Display Module.[6]
- Greatly improve voice and video communication and data transfer rates over challenged networks with HP Velocity built into HP Elite Slice for Meeting Rooms.

**HP VESA Plate**

Mount your HP Elite Slice, Cover, and Modules to a fixed location on a desk or table with the HP VESA Plate, which allows them to be stacked and anchored with the 100 x 100 VESA pattern.
**Product number: X8U74AA**

## Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

[2] Requires internet service.

[3] Sold separately or as an optional feature.

[4] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

[5] Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers.

[6] HP Wireless Display Module must be configured at the factory requires HDMI connection to display and USB port for power.

## Technical Specifications Footnotes

[1] In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on http://www.support.hp.com.

[2] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

[3] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) is reserved for system recovery software.

[4] HD content required to view HD images.

[5] Keyboards and mice are optional or add-on features.

[6] (1) M.2 2230 for WLAN; (1) M.2 2280 for NVMe SSD.

[7] Wireless cards are optional or add-on features and requires separately purchased wireless access point and internet service. Availability of public wireless access points limited.

[8] EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. See HP's 3rd party option store for solar energy accessory at www.hp.com/go/options.

[9] External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.

[10] Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/computrace-agreement. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

[11] HP USB Business Slim Keyboard: China only.

[12] HP Support Assistant: requires Windows and Internet access.

[13] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com

[14] HP USB Mouse: China only.

[15] All power supplies are not available in every region.

[16] Sure Start 2.0 with private SPI flash.

[17] HP Dual Head Keyed Cable Lock Kit: optional and must be configured at purchase.

[18] 90 W external power adapter needed when Wireless Display is ordered.
