

AWMS-RHXB

Dual Crossbar Display Desk Mount

The AWMS-RHXB dual crossbar display desk mount is designed to support two displays with a single monitor arm.

Its spring-assisted design with three points of articulation enables effortless simultaneous adjustment of both monitors from a seated position.

Interactive desk mounting solutions

75 x 75
100 x 100

Up to 30lb
4-15lb
per monitor

ATDEC Infinite Mounting Possibilities

Workspace mounting solutions

AWM modular mounting family

Desk fixing options (sold separately)

Desk clamp AWM-FH

Dual steel plate design for extra strength and stability. Fits desks up to 2.68" in thickness.

Grommet clamp AC-GC

Can be used as a bolt through or grommet hole mounting option. The plate provides extra stability for heavy loads.

C-clamp AWM-FC

Suited to desks with potential to interfere with the elements under the desk such as cable cages. Suitable for desks up to 1.3".

Options and Accessories

The dual crossbar can be replaced with the single display AWM-LTH head to accommodate larger monitors. The arm can be also attached to any AWM post via the AWM-LC channel clamp.

Heavy duty VESA head AWM-LTH

Channel clamp AWM-LC

Ordering AWMS-RHXB

AWMS-RHXB consists of the following parts:

1 x AWM-AHX heavy duty dynamic arm
1 x AWM-LR dual monitor crossbar
1 x AWM-LB base

Desk fixing options:

AWM-FH heavy duty clamp
AC-GC bolt through/grommet
AWM-FC C-clamp

Options:

AWM-LTH heavy duty tilt head
AWM-LC post channel clamp

For all AWM components, add -S for silver, -B - for black and -W for white at the end of the main code.
