## Travel light, travel smart

The compact, light and thin all-metal design of ZenBook 14 makes it the ideal traveling companion. It's also one of the world's thinnest 14-inch laptops to feature a full set of I/O ports — including full-size HDMI and USB Type-A — so you can enjoy versatile connectivity wherever you are.

## Fast and easy charging, anywhere

With ZenBook 14's amazing 22-hour battery life, traveling without a charger isn't a big deal. When you do need to top up, its fast-charge feature can restore the battery to a 60% charge level in just 49 minutes, so you'll be ready to go in no time.

## Compact elegance on the go

The compact and elegant ZenBook 14 is supremely light, so it's an indispensable traveling companion. Wherever you go, its outstanding performance and convenient features will help you work more efficiently and let your inspiration flow.

## Bright, clear, power-efficient display

The four-sided NanoEdge FHD display gives you stunningly clear and bright visuals. The slim bezels create a 90% screen-to-body ratio, delivering an outstandingly immersive viewing experience. There's also an amazing optional low-power 1-watt display that combines maximum battery life with 400-nit brightness.
